

IRI THESys – Integrative Research Institute on Transformations of Human-Environment Systems

The new IRI THESys offices are located at Friedrichstraße 191, 4th floor. The building is directly situated at the underground station "Stadmitte" (Underground lines U6 and U2). On ground floor level, next to the entrance, there is a bakery and a car seller.

If you leave the elevator on the 4th floor, exit through the large glass door and turn right and right again. Our offices start at room # 4036.
